

FALL SEMESTER 2024-2025 ACADEMIC YEAR

Associate and Undergraduate Course Registration and Advisor Approval Procedures

2024-2025 academic year Fall semester; Term Course Registrations and Advisor Approvals for Undergraduate Programs will be made online between 23-27 September 2024, and our students will be able to access the PROLIZ Student Affairs Information System by entering the relevant username and password information from [web address](#). Students should review the User Guide and course registration video for the use of the Student Affairs Information System.

Obtaining OİBS Password for Newly Registered Students

To get your OİBS password after learning your student number; The password reset screen is accessed by using the “Reset Password” [button on](#) You can use one of the options “Reset with ID Information” or “Reset with E-Mail Address” for password reset. When you use the “Reset Password” button after entering the required information, your new OİBS password will be sent to your e-mail address registered with ÖSYM. Or you can log in with your e-government password.

Our students can deposit their tuition fees by clicking on the Online Payment Link or from anywhere in Turkey to the account numbers below or to the accounting office in our school. Please make sure that your student number, name and surname are on the bank receipts. Students who have paid their tuition fee and students with Full Scholarship will be automatically registered in the system.

[Our students who enrolled as a result of 2024-YKS will also make their 1st year course registrations themselves by entering OİBS.](#)

Students who register for courses must have advisor approval. Course registrations of students who do not have advisor approval will be invalid, and students will not be able to attend classes and exams.

If you have any problems with course registrations, you should contact your Advisors.

Course selection, add-drop procedures will be made on October 16-18, 2024, as specified in the Academic Calendar.
