

2025-2026 ACADEMIC YEAR FALL SEMESTER ASSOCIATE DEGREE AND BACHELOR'S DEGREE COURSE REGISTRATION AND ADVISOR APPROVAL PROCEDURES

Fall semester of the 2025-2026 academic year; **Term Course Registrations and Advisor Approvals for Undergraduate Programs** will be conducted online between September **15-19, 2025**. Our students will be able to access the PROLİZ Student Affairs Information System by entering their relevant username and password information at the following [web address](#): using their relevant username and password. Students must review the **User Guide** for using the Student Affairs Information System.

OİBS Password Acquisition Process for Our Newly Accepted Students

After learning your student number, to obtain your [OİBS password](#): go to the password reset screen at by clicking the “Reset Password” button. For the password reset process, you can use either the “Reset with Identity Information” or “Reset with Email Address” options. After entering the required information, click the “Reset Password” button, and your new OİBS password will be sent to your email address registered with ÖSYM. Alternatively, you can log in with your e-government password.

Our students can pay their tuition fees by clicking on the Online Payment Link or by depositing the amount into the account numbers listed below from anywhere in Turkey or at our school's accounting office. Please ensure that your student number, first name, and last name are included on the bank receipt. Course registration for students who have paid their tuition fees and students receiving full scholarships will be automatically activated in the system.

Students who register based on their 2025-YKS results will also complete their first-year course registrations themselves via OİBS. Preparatory class students will not register for courses.

Students registering for courses must obtain advisor approval. Students who do not obtain advisor approval will have their course registration invalidated and will not be able to attend classes or take exams.

If you encounter any issues during course registration, you must contact your academic advisors.

2025-2026 Academic Year Credit Fee for Students in Their Extra Year (for each ECTS Credit):

For Turkish citizens:	Including VAT ₺3200
For international students:	Including VAT \$ 85

FINANCIAL TRANSACTIONS

The full tuition fee must be paid in advance when registering for renewal.

Advance payments can be made to the University's bank accounts via EFT/wire transfer, in cash to bank accounts, or online using a credit card.

The installment payment option is only available for online payments with all credit cards, with up to 12 installments available, and the installment commission rates are the responsibility of the student.

Recommendation 1: By making a single payment online, you can divide your education expenses into 3-4-5-6-7-8 installments without any interest from your own banks (banks with campaigns).

Recommendation 2: If you have a Kuveyt Türk Bank Sağlam Card, you can benefit from 5 installments with no interest at the cash price. (If you don't have a card, you can get one from the bank on the same day.)

- All students (and their parents) who have a Kuveyt Türk Bank Sağlam Card can make a prepayment and benefit from **5 installments with no interest**. [Click on](#) the link for transaction details.
- For more information, the following staff can assist you with card applications.
