The make-up exams for the Fall semester of the 2025-2026 academic year for Associate Degree and Bachelor's Degree Programs will be held between **January 22-25, 2026**. Our University has deemed it appropriate to implement the “Make-up Exam Application Principles” as approved by our Senate in the following manner.

1. Make-up exams cover Fall semester courses.
2. The make-up exam grade will replace the final exam grade.
3. The grade obtained in the make-up exam will replace the grade obtained in the final exam and will be used to calculate the student's course grade.
4. **Students may take the make-up exam for courses with an FD or FF grade.**
5. Students who wish to improve their grades are not eligible to take the make-up exam.
6. Students cannot take the make-up exam for courses with an NA (Absent), W (Withdrawal), P (Pass), or U (Fail) grade.
7. Final course grades for application-based courses determined by the student's work during the semester, as well as courses such as Projects, Studios, Graduation Projects, Graduation Theses, Workshops, etc., are not subject to make-up exam.

***The Make-up Exam Schedule includes all courses. Make-up exams will only be held for students with grades of FD and FF. Students are advised to pay attention to this matter.***
