# STUDENTS! INTERNSHIP

Please follow the steps below for the determination process of summer internships!

Internship Dates: **15 June - 4 September 2026**

**1-** After the internship places are determined, the necessary internship forms (student declaration, internship approval form and the declaration of the institution to be interned) must be submitted to the internship commission until **May 15, 2026**.

**2-** The suitability of the internship places will be evaluated by the internship commission and the approvals of the internship places will be announced on **May 18, 2026**.

**3-** Students whose internship places are not approved will notify the internship commission of their alternative internship places with the necessary documents until **May 20, 2026**.

**4-** Alternative internship places will be evaluated by the commission and the approvals of the internship places will be announced on **May 22, 2026**.

**Internship documents submitted after the specified dates or late procedures will not be taken into consideration!**
