

DEPARTMENT OF COMPUTER ENGINEERING

ATTENTION: STUDENTS APPLYING FOR INTERNSHIP

INTERNSHIP

Please follow the steps below for the summer internship placement process.

Internship Period: **June 15 - September 4, 2026**

1

After selecting an internship site, the required forms — student declaration, internship approval form, and the host institution declaration — **May 8, 2026** must be submitted to the internship committee.

2

The suitability of the proposed internship sites will be evaluated by the internship committee, and the approval results will be announced on **May 15, 2026**.

3

Students whose internship sites are not approved must submit alternative sites along with the required documents to the internship committee by **May 22, 2026**.

4

Alternative internship sites will be reviewed by the committee, and final approval results will be announced on **May 27, 2026**.

Documents submitted after the stated deadlines or late applications will NOT be accepted under any circumstances!
