

Dr. Ahmet Cem GEL - CV

Dr. Ahmet Cem GEL Civil Engineer / Entrepreneur

Ahmet Cem GEL completed his undergraduate studies in Civil Engineering at Atatürk University, Faculty of Engineering, and received his master's and doctoral degrees from Gazi University, Institute of Science and Technology. During his postgraduate studies, he began his academic career at Gazi University, Department of Civil Engineering, where he served as a faculty member for eleven years. Throughout this period, he actively participated in various research projects, contributed to engineering education, and was a founding member of the Gazi University Earthquake Research Center, engaging in interdisciplinary work on structural safety, seismic resilience, and disaster management.

In 2014, he transitioned into the professional world by leaving academia to bring his academic expertise into the business arena.

Over the course of his career, he has led numerous strategic projects in the fields of real estate, technology, and healthcare, consistently prioritizing innovation, visionary leadership, and principles of sustainability.

He currently serves as Chairman of the Board and General Manager in the companies he owns or manages.
